

Evaluation and Reflection

Name:

School: BG/BRG Knittelfeld

1 How has the long-term exchange contributed to your personal development?

2 How has it contributed to your development of

- foreign language skills
- academic skills - project work - other competences?

3 Which skills did you develop when faced with handling work at your home school as well as work at your host school?

4 Which experiences have contributed to a better understanding of culture and traditions?

5 In what ways has the long-term exchange possibly influenced your future (plans, goals)?

6 How will your classmates / friends / family / future colleagues benefit from the exchange?

7 How will your school community benefit from the exchange?

8 Any other comments:
